

2024 Waterbury Arts Grant Application

Thank you for your interest in public art! Waterbury Arts is a group of volunteers that encourages the ongoing development of temporary and permanent public art projects in our community. We believe public art, by definition, is free and accessible to the public and encourages community engagement. Public art adds to our collective experience rather than promoting an individual point of view or commercial interest, and it helps build a thriving and welcoming community.

Organizations, collaborations, and individual artists who appreciate the role public art plays in building community are encouraged to apply for a Waterbury Arts grant to support a specific project. Waterbury Arts grants support the creation and installation of public art in Waterbury or Waterbury Center, VT. Grant applicants do not need to be based in or reside in Waterbury.

Waterbury Arts is offering a total of \$3000 in grant awards in 2024. Grant applications are accepted and awarded on a rolling basis throughout the year. The decision to support a project or projects is determined by members of Waterbury Arts.

If you would like to be considered for a Waterbury Arts grant, please let us know more about your project. Complete the questions below and submit it to FORWARD-Waterbury Arts, PO Box 244, Waterbury Center, VT 05677 or online at www.waterburyarts.com

Your name:

Organization (if applicable):

Phone and email:

Amount requested (Please note, you can request up to \$3,000 but you may be granted less):

Name of project:

Description of project (Please include materials, theme, budget, goals, and timeline):

Where do you envision installing your public art? How far along are you in getting the required permissions? (i.e. Design Review Board approval, property owner approval, community support)

What will your project bring to Waterbury? How will it enhance our community?

Is anyone else involved in creating your project, such as other artists and collaborators, school children, neighbors, local businesses? Please describe.

If you receive a grant from Waterbury Arts, are you willing to acknowledge Waterbury Arts support in an announcement, on-site signage, press release, social media postings or other public way? Please describe.
